The **Olde England Kiosk** is situated in 85 acres of woodland and has been a popular venue for Wedding Receptions since 1920. The building is fronted by a brook, flowing from a lake down several waterfalls presenting numerous photographic opportunities.

You and your guests will fully appreciate and enjoy the natural beauty of the area and Tudor Style Building. Together with our reputation for excellent food and personal service, this makes **The Olde England Kiosk** the Perfect Place For Your Wedding Day.

The premises are approved for Civil Marriages with a maximum of 80 guests permitted to attend the Ceremony, we can therefore offer an attractive alternative to the Registry Office. The room hire for this facility is £150.00 with the Registry Office having their own scale of charges, dependant upon the day the Ceremony is to be held. Please contact the Registrar (Tel No: Blackburn 588660) to make all official arrangements.

There is easy access for elderly and disabled guests and you would have sole use of our premises without any interference from other parties.

Let us ease the stress and worry of making your Wedding arrangements by booking one of our All Inclusive Wedding Packages.
